

# Mount Si High School Digital Media Academy

The Mount Si Digital Media Academy is an exciting program that offers students hands-on experience and college credit in a wide variety of digital media programs. Instructor Joe Dockery is an award winning Adobe Education Leader who is nationally recognized as a leader in technology education. With 80% of 21st century jobs requiring technical training, this is a great way to get a head start on that career you have always wanted.

**Introduction:** During the Introduction course you will learn and develop the skills needed for a career in the digital arts through hands-on training and experience. You will develop the skills to produce a wide variety of digital media including filmmaking, animation, graphic design and web designs. At the end of the course you will have developed an online portfolio that highlights all your new skills and art work.

**Length:** 1 Semester **Credits:** Fine Arts or Occupational **Fee:** \$5.00

**Digital Media Academy:** Join some of the most talented digital artists in the Northwest at the Digital Arts Academy and get your name engraved on one of the many golden trophies lining the wall of fame. This year long course will give you the opportunity to master professional media tools and develop industry specific skills in your choice of digital media tracks including filmmaking, graphics design, animation, and web designs. You will work individually and with interdisciplinary teams of students to create significant projects for your professional portfolio/demo reel.

**Length:** Year Long (can be repeated) **Credits:** Fine Arts or Occ Ed **Fee:** \$10.00

**Wildcat Production Club:** This active club meets every Thursday after school in room 121. Everyone interested in digital media and music is welcome. We have excellent DJ gear including three mixing/scratching stations and a wide variety of lighting setups. You may have seen us at your middle school dances. Photoshop, After Effects and Premiere Pro lessons are available and we produce a variety of special event videos. For the last couple years a team of students have been invited to compete in the Nike 2.0 Film Challenge that is part of the National Film Festival for Talented Youth.

**Film School/Film Studio Trip:** Last year students from the Wildcat Production Club went to New York city for a week to visit a variety of film schools and other film related attractions. This year we are planning a trip to Los Angeles that will feature tours of the big Hollywood film studios, EA Games, a variety of film schools and dinner with the Wildcat alumni that are working in the industry.

**2013 Destination:** Los Angeles **Fee:** \$1200 plus food
